

## ACTION-PACKED CAREERS

Help make your community safer, take “action-packed” classes and start your career in the hot Homeland Security/Criminal Justice field all at the same time! By the time you start your senior year, you’ll be almost 50% finished with the **Homeland Security Technician Certificate** program – the standard most policing agencies prefer when looking to hire new recruits. This program is taught by certified peace officers who’ve been in the trenches and will share their real life stories and knowledge. Don’t miss out!
